Summary: read isndie to see who the dad is and if she is happy

kim is pregant

kim is pregnant

kim walked home wone day and looked down and saw her tummy was big and she felt feet kicking. "oh no what does that mean" she remembered her dream about someone coming over and dancing with her and falling asleep in her bed. it wasn't a dream. it was real.

"oh no this is bad" kim said. she went to the doctor and saw it was lewis because she was in America. "lews I'm pregnant" lewis smiled and said :its my baby I'm the dad" they smiled and made out until midnight. she was happy. lewis was happy. but was cleo? no. the end.
